Create a chemical and toxin-free home with Kangen Water®.

Your home is your sanctuary. It's a safe haven from the outside world. Yet everyday, we bring harsh chemicals and toxins into our home under the guise of cleanliness. We rely on these harsh household cleaners to help us maintain a clean home and rid us of dirt and germs, but they are actually harming us and the environment. What if we had cleaning products that were safe, effective and much more affordable? With Kangen Water® you can make your own environmentally-friendly, non-toxic, chemical-free cleaning products that actually work! Clean your home, wash your clothes, do your dishes and sanitize your counters all while maintaining a cleaner, greener home with Enagic®.

Greener Home

How to clean every area of your home. Discover the Enagic® advantage, and enjoy a chemical-free home.

Non-toxic Cleaning

Reduce consumption and unnecessary plastic waste by making your own eco-friendly cleaning products. Kangen Water® will make your house healthy, safe and happy.

Doing the Dishes

Regardless of whether you use a dishwasher or wash by hand, your Kangen® machine has you covered!

In the Laundry Room

Take a look at the label of your favorite laundry detergent. If you can't pronounce some of the ingredients and the ones you can pronounce you'd be horrified to put next to your skin, then it's time for a change.

Powerful Stain Remover

Stains happen. With Strong Kangen Water® make stains disappear like magic without using harsh chemicals.

Kangen Water® Liquid Castile Soap

Castile soap has amazing cleaning and degreasing power. When mixed with water, it makes a great degreaser, all-purpose cleaner and can even be used to wash dishes.

Strong Kangen Water® Window Cleaner

Safely eliminate streaks and smears with this incredibly effective window cleaner recipe.

All-Purpose Strong Kangen Water® Cleaner

This all-purpose cleaner will be your new favorite green helper! Clean counters, surfaces, and so much more with this amazingly effective, green cleaner.
